In “Utility of Ischemic Signs from Initial ECG in Detecting Culprit Vessels in NSTEMI-ACS Patients” (Indonesian Journal of Cardiology, 44(3), 111-9. <https://doi.org/10.30701/ijc.1321>), there are several errors noted.

An error has been found in the PDF version of this article. The DOI printed in the PDF is incorrect. The correct DOI is <https://doi.org/10.30701/ijc.1321>. The error occurs only in the PDF; the DOI listed in the article metadata is already correct.

In addition, there was an error in the title of Table 2. The title of the table has been corrected to “Baseline characters.”

The publisher apologizes for any inconvenience caused by this error.
